STAR SSD - NUMEROTATION OF COMPONENTS
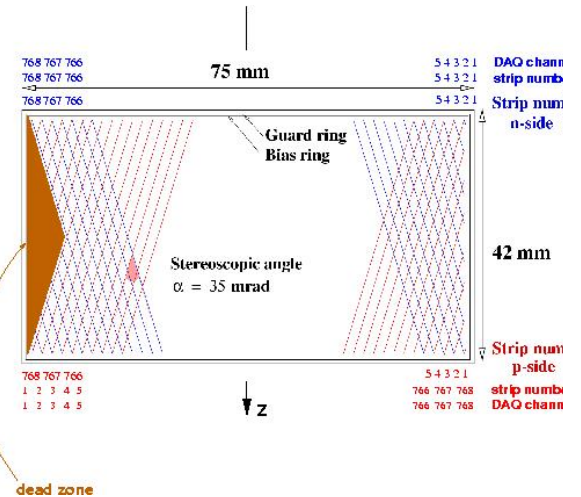

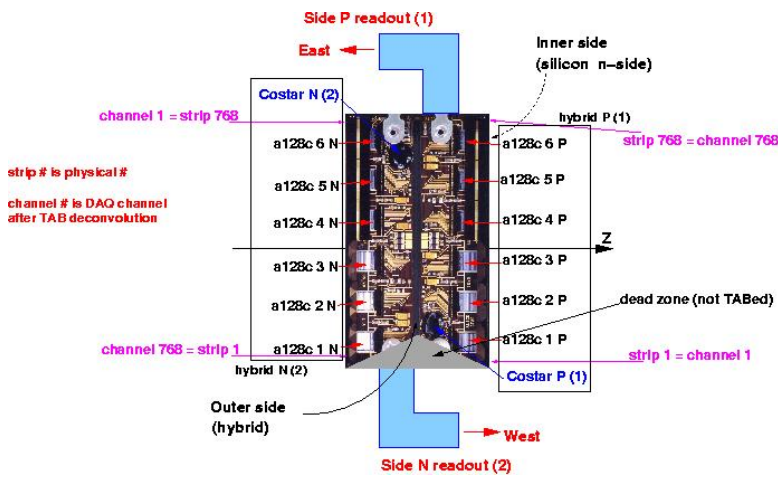

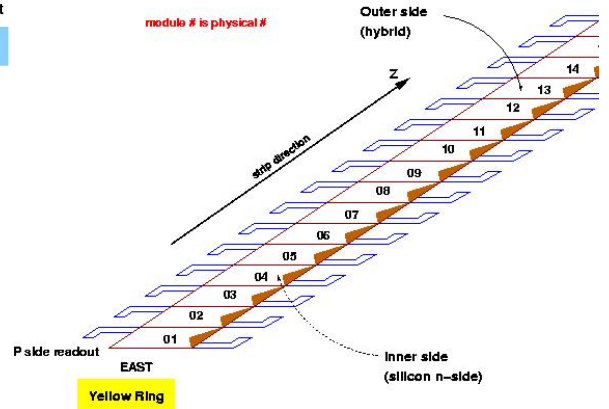

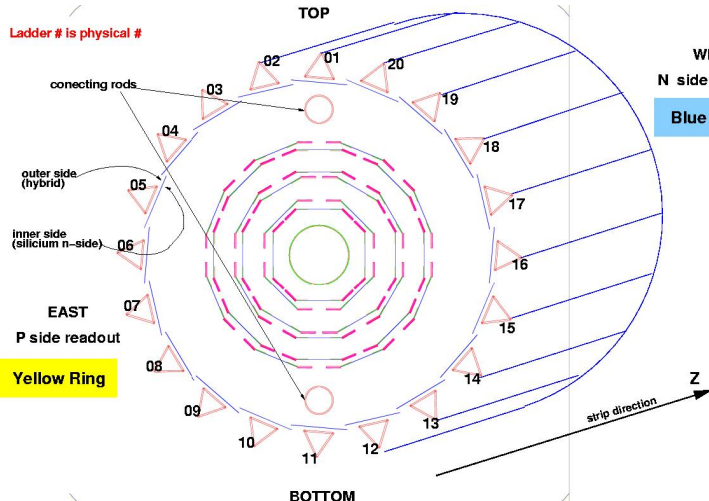

As of 10/30/2007 15:18:22

SSD level - Ladder level - Module level - Wafer level - Some equivalence - A128c and TAB level

The following drawings explain sSome equivalence between numerotations

How to convert strip into DAQ channel through TAB

- Lilian's converson table Excel,
- To convert from TAB numerotation (a128c channels) to DAQ channels (strips) C code,
- To convert from DAQ channels (strips) to TAB numerotation (a128c channels) C code.
