

Minutes 2012/2/3

Present: Howard M., Spiros, Jonathan, Xin, Mustafa, Hans-Georg, Amilkar, Jim Thomas
Flemming, Wei, H.W. excused

1. **News:**

- a. Prague (Subera) will send student to LBL to work on HFT-PXL.
- b. Amilkar (Kent PhD student) to (re-)join the Survey and Geometry effort.
- c. SSD ladder 'about to be shipped' to LBL from Subatech for CMM survey. The SSD group was reminded to prepare for the survey.

2. **Geometry.**

- a. Flemming/Jonathan presented an update on Y2013 geometry (realistic material on PXL sectors) and a list of things to do. In a few weeks an internal review was proposed to assess progress and identify area for improvement.
